Also thanks to Sheila Goodman, Jerry Plummer, Mary Sawyer, Julie Martinez, Pat Werts, Matt Neubauer, Mary Lu Norland and the Browns. Financially, we came out OK too. Look forward to next year!

Michael Scott Clinic

**K Bar J Ranch
20905 E 181st
Pleasant Hill, Mo**

Just 9 miles SE of Longview Horse Park.

We are trying something a little different at the clinic this year. We have designated time in the afternoon for people to bring in their equine for fitting harness and cart, proper whip size, etiquette at any event whether DT or pleasure show, and attire.

This will be \$25.00 per person/equine. Limit of 3 per hour. We welcome auditors throughout the day at \$20.00. There will be time during this period for everyone to ask questions. It will be a hands on question and answer session,-a real learning experience .for new or experienced drivers. We are never too old to learn.

Bring your own lunch and drinks. In the evening we'll have a light supper for everyone.

Condolences

Our condolences to Sylvia Herrell whose husband Hurshell died on June 16th after a long illness. Hurshell served as President of CDSGKC from 1983 to 1984 and was one of the earliest members of our club.

Fun Day at K Bar J

In addition to the September Fun Day that so many enjoyed at Kelly & Pam Johnson ranch, the club will also benefit from their hospitality with the Michael Scott Clinic. Michael is a popular clinician here, and it's a

wonderful location for a clinic so we hope many of you will join us either as clinic drivers or auditors.

HOORAY!!! for Jackson County Parks!!!

This is a picture showing the damage caused at Longview Horse Park after a trailer leaving the grounds after our Driving Trial drove past the concession stand and knocked down the light pole. Not only did that pole hold an arena light and speaker, but also the electrical box for the concession stand and arena.

Those of us still on the grounds called Amy Hull who quickly called the Park Ranger and Bob McMillin. Fortunately they were able to extricate the vehicles from the board fence, no one was hurt, and the driver was able to leave for home. And CDSGKC has the required insurance.

Amy reported that the Jackson County maintenance crews worked hard all week and everything but the arena lights were replaced for the next show that weekend. *We are very blessed to have these awesome guys taking care of us at the direction of Bob McMillin.*

Amy also told us that this is the third accident in this area with horse trailers in as many years and as a result, **NO HORSE TRAILERS ARE ALLOWED IN THE AREA BETWEEN THE OVAL ARENA, THE SHOW OFFICE AND THE CONCESSION STAND.**

Please help us enforce this rule!
